Optical Limited Edition  
Mouse

3BTN PS2 USB BLACK WHEEL OPTICAL MOUSE  
Optical - USB, PS/2

Model#:930808-0403

Main Features

- Manufacturer: Logitech
- Manufacturer Part Number: 930808-0403
- Manufacturer Website Address: [www.logitech.com](http://www.logitech.com)
- Product Name: Wheel Mouse Optical Limited Edition Mouse
- Marketing Information: All the features you want out of an optical mouse in a stylish black enclosure that looks great on your desk. Use it on just about any surface because it records motion optically with an ultra-precise sensor instead of with a ball, so there are no moving parts to break or get dirty. And its rounded shape nestles comfortably into your left or right hand.
