

The Readingpen® Basic Edition K-12 is designed specifically to help school-age readers improve their English reading skills. This fully portable scanning device helps with reading fluency and comprehension by providing immediate definitions from the American Heritage® Children's Dictionary and Thesaurus and translations from WizCom's English to Spanish dictionary. Scanned text and definitions can be read aloud, allowing readers to maintain their reading flow, even when encountering unfamiliar words.

- Helps tackle school tasks with ease.
- Displays scanned text in large characters. Displays syllabic division of words, reads scanned words aloud using Text-to-Speech technology and spells words letter-by-letter.
- Improves childrens' reading skills, enabling them to become autonomous readers and discover that reading is rewarding.
- Increases fluency, vocabulary and comprehension.
- Reads any printed material. Use with books, magazines and newspapers.
- Defines and translates. Includes English dictionary, thesaurus, and English-Spanish dictionary.
- Simple to use, with intuitive user-friendly interface.
- Take the Readingpen® Basic wherever you go. This small, handheld device is portable, discreet and designed to fit in your pocket.
